JR. COYOTE CLASSIC

Old Town Recreation

All Heart and Hustle...

Coaches, Players, Parents, Grandparents

Thank You! Thank you for attending the 10th Annual Jr. Coyote Classic. With out your support for the past 10 years this event could not have become what it has.

This weekend is an event that we have set up to really focus on the true stars. The players who are on the court playing and representing their community. Please be respectful of all participants of this event, this includes all players, referees, spectators, and volunteer staff who have come together to help make this event possible.

While we expect the competition to be a high levels throughout the weekend, we are here to make the event about the kids, and less about those who are there to cheer them on.

The tournament will feature many fun activities for the kids, including half time contests, player of the game awards, cutting of the nets at the end of the championship, and of course taking the GOLD BALL back to your community!

Once again, we appreciate you and your family for attending, and if you have any concerns please do not hesitate to reach out to us.

Thank you and enjoy your weekend
